Dear Mr. Mortensen:

Re: Final Approval of Reclamation Contract, Utelite Mine, Utelite Corporation,
M/043/004, Summit County, Utah

On January 14, 1991, the Director of the Division of Oil, Gas and Mining signed the Reclamation Contract which you had signed previously on November 30, 1990. On February 12, 1991, the Chairman of the Board of Oil, Gas and Mining signed the Reclamation Contract. These actions formally complete the permitting requirements for Utelite's mining operation at this time. Please find enclosed: copies of the Board package information, the Self-Bonding and Indemnity Agreement, and the executed Reclamation Contract.

Thank you for your time and efforts in completing these permitting tasks. If you have any questions please feel free to contact me.

Sincerely,

Lowell P. Braxton
